

VETERANS

Of Hard Fought
Football

Will Face the South
Ends Saturday.

Win on Did Better Than
Fournier.

McGovern and Young Corbett
Have Signed Articles.

Saturday's game between the S. E. A. C. team and the Cleveland Athletic club will bring some players to Akron, representing the Cleveland aggregation, who have made records for themselves on many a hard fought field in college athletics. The line-up for the C. A. C. will be as follows:

Killins, formerly with Michigan Military Academy, right end; Clarke, formerly with Oberlin Varsity, right tackle; Yengle, formerly with Reserve, right guard; Roberts, an old C. A. C. man, center; Flett, left guard; Shipard, of Mt. Union College, left tackle; Rayone, formerly with Colorado School of Mines, left end; Baer, formerly with Oberlin Varsity, quarter; Beck, right half; Havel, left half; Quarrie, formerly of Case, fullback.

S. E. A. C.'s SCHEDULE.
The games that are arranged for by the management of the South End team are as follows:

C. A. C., Akron, Oct. 26.
Warren, at Warren, Nov. 2.
Shelby, at Shelby, Nov. 9.
Warren at Akron, Nov. 16.
C. A. C., at Cleveland, Nov. 23.

SHELBY'S RECORD.

The S. E. A. C. will meet a team that has not been defeated this year when it lines up against the strong Shelby aggregation at Shelby, November 9. The team has been active since the very beginning of the season and has played some games that were record breakers for hard work. Here are some of the scores:

Shelby, 0, Oberlin 0; Shelby 15, Newark 0; Shelby 5, Wooster 0.

Tonight is the night of the Simms-Furey fight, by which Art will begin a series of the hardest fights he has yet undertaken. If he is successful in all of them they will add greatly to the fame that has come to the Akron scrapper. If a combination of circumstances and too much fighting results in his being disabled to such an extent that one of his opponents can defeat him, the critics that have said Simms was taking on too many fights will have a chance to mutter the inevitable "I told you so."

As for the contest with Furey, his friends have no doubt that Art will win. He is the favorite in the betting and is regarded as the stronger candidate.

CHALLENGE ACCEPTED.

The second team of the North Ends has accepted the challenge of the Grays for a game next Saturday and will play them on the North Hill grounds.

BASEBALL LEAGUE TEAM.

It is now rumored that Akron may get into the Interstate League, once the baseball season resumes. It is said that a strong team may be located here and that Akron will have a chance to demonstrate her value as a baseball town. The fact that it has been tried here before and was not successful, does not seem seriously to deter the magnates.

FOOTBALL MATTERS.

The planet football team is anxious to blot out the defeat it received at the hands of the South Ends last Saturday and is trying hard to arrange for another game against that team. The South Ends, however, have other plans, and have made dates for games against the Cleveland Athletic club, Shelby and the Warrens. This puts the Planet out of the running for a month or more, as the dates on which the South Ends have games are consecutive Saturdays. The Barbortons are looking for more games at this time and something may be arranged with them, as they believe the showing they made against the Planet the last time should not be counted, in reckoning their ability. It has been hinted that the South Ends do not want to play the Planet again fearing the result may be different than it was last time.

SHORTLETS.

Terry McGovern and Young Corbett have signed articles for their scrap at Hartford, Conn., Thanksgiving Day.

Crescens, king of trotters, driven by George Ketcham at Kansas City Thursday, broke the world's record for a half mile track, making the half in 1:04 1/2 and the mile in 2:09 1/4. A big crowd saw the trial.

Tom Jenkins and Dan McLeod were signed for a wrestling match last night, to be decided Nov. 7. Jim Corbett will probably referee.

Alexander Winton, the Cleveland auto man, broke all automobile records from one to 10 miles at the Grosjean Point race track at Detroit, Thursday. His one mile record was 1:06 2/5 and he covered the ten in 11:09 flat.

PLAYING OUTSIDERS.

Akron foot ball teams are making strong plays as to games with outside elevens. South End has three games booked, with the return matches

Muscle

Does not make the man. "The blood is the life," the vital force of the body. So it not infrequently happens that the man who looks to be a picture of physical strength falls a sudden victim to disease. A proper care for the blood would prevent many a serious sickness.

The cleansing of the blood is perfectly accomplished by the use of Dr. Pierce's Golden Medical Discovery. It drives out the impurities and poisonous substances which corrupt the blood and breed disease. It increases the activity of the blood-making glands, and so increases the supply of pure blood. It builds up the entire body with good sound flesh.

There is no alcohol in "Golden Medical Discovery" and it is entirely free from opium, cocaine and all other narcotics.

The dealer who offers a substitute for the "Discovery," does so to gain the little more profit paid by inferior medicines. There is nothing "just as good" for the blood as "Golden Medical Discovery" therefore accept no substitute.

"I took five bottles of 'Golden Medical Discovery' for my blood," writes Mr. William D. Shambelin of Newry, Cherokee Nation, Indian Territory. "I had 'ring worms' on me and I would burn them off and they would come right back and they were on me when I commenced using Golden Medical Discovery, and they went away and I haven't been bothered any more."

Dr. Pierce's Pleasant Pellets cure constipation.

that will follow. North Ends have a game against Canton, Saturday, with a return game afterward and it seems to be the policy of the teams to avoid, if possible, continued arguments with local players. The matches that have been taken on with the outsiders will keep the players busy for nearly the whole football season, so that the comparative merits of the Akron teams may not be thoroughly decided this year.

NORTH ENDS VS. CANTON.

The North Ends are making vigorous preparations to win the city football championship this fall. They are practicing hard and believe they can deliver the goods. They will try out their strength against the Canton Athletic club at Summit Lake Park Saturday.

GARDNER WANTS TO FIGHT.

Gus Gardner wants to accept a few fancy tints as to face, eyes and general appearance, at the hands of Art Simms. Gardner has deposited \$100 worth with a Cincinnati newspaper and issued a challenge to all lightweights, Gans, McFadden and Simms, preferred. Simms is just outside the class.

JEFFRIES' CONDITION.

Now that the time approaches for the Jeffries-Rublin fight and interest in that contest has been rekindled, it is stated that Jeffries' arms and legs, though seemingly sound, become lame on the least provocation. His western admirers are said to be backward about placing their money, for this reason and the friends of the champion fear this weakness may cause his defeat.

Practically the same thing was said of Jeffries before he fought some of the best battles of his life and the latest reports have not gone far to mislead discerning sportsmen. They think these reports may have been given circulation for the purpose of misleading Rublin, allowing him to think he will have an easy victim and so encouraging him that his own downfall will result.

KID BROAD GOING ABROAD.

Kid Broad may go to England. It is reported that he has an offer to fight either Ben Jordan or Will Curley, and he is willing to accept.

If he has no better luck in England than was found by a young party named Arthur Simms some time ago, he will be out at elbow when he returns.

GRAND ALLEY LEAGUE.

The Grand Alley bowling league has not yet reached the stage known as perfection or completion, but its promoters have hopes that the games may be begun within a week. There have been no additional teams to announce themselves as wishing to enter the league's series as yet, but it is regarded as not yet too late.

CENTRALS WILL PLAY.

The Central foot ball team claiming to be Akron's champions, at 145 pounds, will play the East Akrons, Saturday on the East Akron grounds.

TOLD IN AKRON.

It's the Evidence of Akron People Published in Akron Papers That Has Made Such a Reputation for Dr. A. W. Chase's Nerve Pills.

Standing clear and distinct, marking the difference, the superior merit, the adaptability to present day ailments of the volume of local testimonials for Dr. A. W. Chase's Nerve Pills. It's so different to the ordinary remedies referring to cures made at distant points which it is hard to verify. There is a reason for Dr. A. W. Chase's Nerve Pills commanding home evidence wherever they are known. It is their wonderful influence in bringing up the standard of Nerve Force. Mrs. Smith Tibbs, of No. 248 Market st., Akron, Ohio, says:

"As a general all round and nerve tonic I like Dr. A. W. Chase's Nerve Pills. I got at Lamparter's drug store on South Howard st. I was far from feeling well—was weak, dull, listless, nervous and generally depressed at the time and needed a good tonic. The medicine however, gave the results desired, viz: A return to health, energy, steadiness of nerves and general vigor. This I think proves the value of the medicine."

Dr. A. W. Chase's Nerve Pills are sold at 50 cents a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.
